Take It & Make It

Mini Birdhouses

Supplies Provided:

Corks, acorn tops, skewers or sticks, moss and glue.

1. Use a pointy object, like a nail or an awl, to bore out a hole, like where a bird would enter.

2. Make another small hole under the entry hole, and insert and glue part of a wooden toothpick, stick, nail etc. for the perch.

3. Glue moss to the top of the cork

4. Glue an acorn cap on top of the moss for the lid.

5. Insert and glue the skewer into the bottom of the cork.
