

## Take It & Make It

December 2022

### *Sock Snowman*

**Supplies Provided:** Rice (Approximately 3 cups), 2 socks, rubber bands, cotton ball, buttons, carrot nose

**Supplies Needed:** Glue to attach buttons and carrot nose

1. Fill your white sock with rice using desired amount. Use a rubber band to make your snowman's waist. Secure second rubber band around the top of the head.

2. Cut off excess sock from top of your snowman's head.

3. Cut 2/3 of f the foot of the sock to make your snowman's hat.

4. Place a cotton ball in the top of the hat and use one of the clear small bands to secure it

5. Fold your sock over and make a hat for your snowman.

6. Cut off the remaining "heel" portion of the sock to make the snowman's jacket.

7. Glue buttons, eyes and nose in place and let dry.

8. Using leftover fuzzy sock material cut your snowman a scarf and tie in place.
