

## Take It & Make It

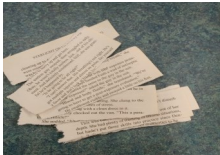

November 2022

### *Book Page Pumpkins*

**Supplies Provided:** Styrofoam pumpkin, book pages, mod podge, foam paint brush, wine cork for stem, moss

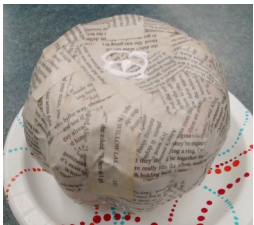

1. Remove foam stem from pumpkin (It is attached with a toothpick)

2. Rip your pages into strips as thin or wide as you prefer.

3. Brush a generous amount of mod podge onto your pumpkin and add one strip at a time to the glue. Smooth the pages down as you go and then apply a coat of mod podge on top of the pages. Keep repeating the process until the entire pumpkin is covered. Allow to dry and then add 1-2 more coats of mod podge to the entire pumpkin.

4. After your pumpkin dries completely, glue your wine cork into place as the stem and decorate by gluing the moss around it
